Subject: Bradford Island

Found out from an outside source today that EPA published the fed reg notice for new NPL listings and Bradford Island is not on the list of proposed sites. This is a complete surprise to YN. I'm in meetings until 2pm. Can I call you to get some background on this?

Could you send us a link? <https://www.federalregister.gov/documents/2020/09/03/2020-19171/national-priorities-list>
